

## PURELY PERSONAL.

## Movements of Many People, Newberrian And Those Who Visit Newberry.

Mr. B. M. Aull, of Auton, was in Newberry during the week.

Mr. R. E. L. Hunter left Monday for Florida.

Miss Annie L. Dickert left on Tuesday for Gibson, N. C., where she will teach school.

Mrs. J. W. Humbert leaves to-day for Allendale to attend a district convention of the Foreign Missionary society.

Mrs. W. G. Houseal and Mrs. S. J. Derriek leave to-day for Leesville to attend a synodical missionary society.

## VARIOUS AND ALL ABOUT.

The weather has been lovely for the Fair this week. The attendance from Newberry has not been as large as was expected.

The Drayton Rutherford Chapter of the U. D. C. will meet with the President, Mrs. J. A. Burton, Tuesday afternoon.

The Woman's Foreign Missionary Society of Central Methodist church will meet at the church Monday afternoon at four o'clock.

There will be preaching at King's Creek next Sabbath at 11 a. m.; at Cannon's Creek at 3:30 p. m. and Prosperity A. R. P. church at 7:30 p. m.

Supervisor Feagle has the chain gang at work on the Island Ford road and says he will have it in good condition for a White Steamer before he leaves it. And for wagons and buggies as well.

Rev. G. A. Wright, who has been conducting a meeting at Summerton during the past ten days, has returned and will hold regular services at the First Baptist Church next Sunday.

Rev. C. W. Hidden will preach at Mount Zion on the coming Sunday; subject, "Jesus of Nazareth Passeth By." It is understood that this will be Dr. Hidden's farewell appearance at Mount Zion.

The Western Union Telegraph office has been moved into the room under the Newberry Hotel, and is very nicely fitted up, and has the appearance that a thrifty place like Newberry should give all such offices.

On account of the absence from the city of many of those who attend dancing school, this being fair week, there will be no dancing school on Friday night of this week, but on Tuesday night of next week, November 9, the doors will be opened at the usual hour and it is hoped that a large crowd will attend.

## CHILD BURNED TO DEATH.

## Two Year Old Negro Child Sets Clothing on Fire With Matches and Dies from Burns.

On Mr. H. C. Lake's place, in No. 8 Township, on Wednesday, a two year old child of James Jackson, colored, was burned so badly that the child died that night.

The child, with two others, was in the house and the parents were picking cotton very near. In some way the little fellow went to a table and secured a box of matches which he proceeded to strike, and the clothing was caught. Before help reached the child he was so badly burned that death followed.

The building was saved.

## PROF. REMBERT TO SPEAK.

## Grand Chancellor Knights of Pythias Will Deliver Two Addresses in Newberry.

Professor A. G. Rembert, of Wofford College, is the Grand Chancellor of the Knights of Pythias in this domain for this Pythian year. An invitation has been extended to him by the local Knights to make an address in Newberry.

On account of his duties at Wofford College, he cannot well leave home except from Saturday to Monday morning. He will visit Newberry on the fourteenth of November, and through the courtesy of the members of the Central Methodist Church, he will deliver an address at eleven o'clock on Sunday morning on "The Place of the Fraternal Order in Modern Life."

Prof. Rembert is one of the most delightful public speakers in South Carolina, and his talks on the fraternal orders are exceptionally fine.

At the night service, at the same church, he has consented to deliver an address to the young people. The members of the Order in this town and in the county, are especially invited to be present at the morning service as well as at the evening service.

This invitation is extended not only to the members of Newberry Lodge, but to members of O'Neill Lodge, Old Town Lodge and Prosperity Lodge. The invitation is also extended to the public generally, and all who do come may do so with the assurance that it will well repay them.

## Mr. Chappell's Loss.

To the Editor of The Herald & News, Dear Sir:—I notice Mr. Chappell's loss by fire the second time in a short while, and that he has been paying a policy in the Farmer's Mutual, which Company refused to pay him because of a clause in the policy. As I am one of the Farmer's Mutual boys, I wish to let them know what I think of their conduct in this matter. As Mr. Chappell did not notice that clause, they ought to pay him, or refund his money with interest.

G. F. Krell.

## Central Methodist Church

(Rev. J. W. Welling, D. D., Pastor.)

The regular services on Sunday morning in Central church will be conducted by the pastor, who will speak on the subject "The invitation to prayer."

It being the first Sunday the communion will be celebrated and all the members are urged to claim their places.

Sunday school meets at 4 o'clock for Bible study.

At the night services will begin with the familiar hymns, and Dr. Welling will preach on the visit of the three wise men.

To all these services a cordial invitation is extended.

## A Card.

To the many dear friends and near ones, who have shown so much sympathy and kindness and ministered unto us so tenderly through our great bereavement, we each and all of us express our heartfelt thanks. Our hearts are heavy, but would be heavier without the sweet memory of so much kindness and tender thought for us in so many ways. May the gracious Father above, whose we are, our faith and stay even in this, bless and reward you abundantly!

Mr. and Mrs. G. C. Riser, and family.

## NEWBERRY COLLEGE NOTES.

## Base Ball Coach.—Basket Ball.—President Harms in Charleston.

Two new medals. The first honor medal and science medal have been given to the college. The first honor medal is given by Mr. J. H. Sumner, and the science medal by Mr. Robert Norris and Dr. W. G. Houseal. The college is grateful for such gifts, not so much for their relative value, but for the spirit and loyalty which prompts the giving of them.

At a recent meeting of the Baseball association, it was unanimously decided to employ a coach for the coming season. We have some very excellent material from which to select good ball players; and by having a coach to train them we expect to capture the pennant which we came so close to winning last season. At this meeting Alan Johnstone was elected president of the Baseball association and C. H. Kreps, secretary. H. B. Wessinger, who is prevented from playing on the team this season because he has already been on the team four seasons, the maximum length, was elected field manager.

We note with pleasure the return to college of "Boo" Scurry, who will as usual retain his fine reputation in left field. Eidson, a young Saluda pitcher, was in fine form in the Freshman-Junior game, and we predict for him a successful career as a pitcher. He throws like Crane Crouch.

President Harms has returned from Charleston where he preached the Reformation sermon last Sunday.

The first game of the basketball series was played last Friday night between the seniors and the freshmen, resulting in a score of 29 to 2 in favor of the seniors. The goal throwing of Epting for the Seniors was the feature.

The faculty gave Thursday as a holiday, in order that those students who so wish might attend the State fair. A large number went down.

In the preliminary tennis games which have been played during this and last week for the purpose of selecting three men to go to the tennis tournament at Erskine, McFall Wise and H. B. Schaeffer won in doubles, H. B. Schaeffer in singles, and L. B. Houch as substitute. These men, then, will go to Due West Tuesday, remaining there during the contest which will last until Thursday.

Guest—Is there any danger of fire in this hotel?

Boy (with teeth chattering)—N—no unless you pay for it.—New York Times.

## THE NEWS OF PROSPERITY.

## The Idler a Busy It.—Going to the Fair and Synod.—Miss Marie Lathan Married.

Prosperity, Nov. 4.—Mrs. J. F. Browne has improved so rapidly since her return home that she will assume the duties of her music class on Monday.

Mr. and Mrs. Birch, of Columbia, visited Dr. Wheeler's family this week.

Mr. M. C. Morris spent Sunday at home. Mrs. Elizabeth DeWalt has gone to Newberry on a visit to relatives there.

Mr. A. G. Wise spent the weekend in Savannah and Columbia.

Mrs. B. B. Schumpert returned today from a ten days' stay with her sons in Savannah.

There is proof positive that Prosperity's patronage of Robinson's shows was not stinted. All the tickets, more than 250, were entirely sold out, while others clamored for the exhausted supply of cardboard bits.

Mr. Idler's name is entirely a misnomer. It strikes us he is one of the busiest men around Newberry. Some day when he is really idle, we would be glad to have him come our way and point out some of our specially interesting and picturesque scenes of interest (or rather disinterest).

Mrs. J. P. Mahon and little daughter, of Newberry, visited relatives here this week.

Miss Bessie Belle Douglas, of Wimsboro, is the guest of her sister, Mrs. P. L. Langford.

The following of our people have visited or are visiting Columbia and the Fair:

Mrs. M. H. Boozer, Mrs. E. E. Young, Mrs. G. Y. Hunter, Mrs. C. M. Harmon; Misses Mary Wheeler, Julia Matthews, Addie and Ellen Weits, Carrie Tome, Groseclose, Connelley, Lena Lester.

Messrs. A. B. Wise, H. J. Rawl, S. S. Birge, Joe Hartman, Foster Ruff, A. G. Wise, Virgil Kohn, F. Bobb, Bushnell Bowers, Karl Fellers, F. E. Schumpert, V. P. Workman, Cal and Gus Singley, E. S. Kohn.

The Prosperity Auto Club, Dr. Bedenbaugh, Messrs. Steele, Harmon, Mathis, also ran down Wednesday.

The St. Luke's School opened Monday with a very large enrolment. Mr. E. O. Counts is principal and Miss Rebecca Mahon, of Newberry, has charge of the primary and intermediate grades.

Grace Sunday school extends to all the other Sunday schools a cordial invitation to be present at the Sunday morning services when President J. H. Harms will deliver a sermon to the children at the annual Children's Day celebration.

Miss Mary Lizzie Wise went to Columbia last week.

Dr. Hunter spent a short while at Saluda this week.

Miss Marie Lathan, of our sister city, Little Mountain, was quietly married Wednesday at noon to Mr. C. Calhoun, a very popular traveling salesman of Columbia. Miss Lathan is the attractive daughter of Mr. J. B. Lathan. We wish these young people much happiness and prosperity.

Mr. Isanogle was again on our streets greeting his many friends Wednesday.

There will be another exodus Saturday when the following leave for the Missionary Convention at Leesville: Mrs. M. O. J. Kreps, Mrs. Singley, Mrs. G. Y. Hunter, Miss Gertrude Simpson, Miss Gertrude Bobb, Miss Mary Lizzie Duncan, Mrs. S. D. Duncan, Miss Mattie Miller.

From Colony church, Mrs. John Crosson.

The graded school will have holiday Friday in order to let the children visit the Fair.

Prof. J. E. Hunter, of Clemson College, stopped over en route for Columbia.

## TO DISCUSS TYPHOID FEVER.

## Physicians of Third District Will Meet at Greenwood to Discuss Typhoid Fever.

There will be an assemblage of all the doctors of the state, who are in good standing, in their county societies, on the seventeenth of November, at Greenwood. The purpose of this meeting is to discuss the treatment and prevention of typhoid fever, with all the conditions that bear upon it. A number of papers are to be read which will be very interesting and beneficial to those interested in the general hygienic and prophylactic condition of the health of the public. These talks will be delivered by a coterie of physicians well up in the scientific world.

Following is a letter containing an invitation and a list of the papers to be read:

Greenwood, S. C.,  
November 4, 1909.

The entire membership of the County Medical Societies of this district are urged to attend this meeting.

A dinner complimentary to the occasion will be given at the Oregon Hotel, by Dr. R. B. Epting.

Please inform Dr. R. B. Epting, President of the Greenwood County Medical Society, whether or not you will attend.
